

## Have your say - Hinckley Community Health Services

Improving Hinckley Community Health Services - have your say

We know that having more services provided closer to the place that people call home is important. We have some exciting proposals to share with you which would improve some community health services for the local population of Hinckley and surrounding areas.

We are starting the conversation today with people. Join in and find out more about what is being proposal and have your say. Your feedback will help the local NHS to understand what matters most to you.

To get involved - [complete an engagement questionnaire before 8 March 2023](#)

Or

- Attend a face-to-face and online event – further information is available at [www.haveyoursayhinckley.co.uk](http://www.haveyoursayhinckley.co.uk)
- Email: [llricb-llr.beinvolved@nhs.net](mailto:llricb-llr.beinvolved@nhs.net)
- Telephone: 0116 295 7572
- Follow us on Twitter: @NHS\_LLRLR or Facebook: @NHS Leicester, Leicestershire and Rutland

Help share the message wider

Local community services could be needed by anyone in and around Hinckley. Whether it is your friends, family, neighbours and your local community. Please help us share information about the engagement by forwarding this email on, so that others can have their say. If you would like to request any promotional material, please email [jit.parekh@nhs.net](mailto:jit.parekh@nhs.net)

Proposals in brief

We would:

- Build a new Community Diagnostic Centre (CDC) in Hinckley on the Hinckley and District Hospital (Mount Road) site. The CDC would provide MRI and CT scanners, Plain Film X-Ray machine and Ultrasound. It will also have phlebotomy rooms and outpatient/procedure rooms and two Endoscopy rooms with supporting accommodation.
- Create a Day Case Unit that provides the day-case services that are currently on the site of Hinckley and District Hospital (Mount Road) plus additional procedures. Speciality services that would be delivered include General Surgery, Gynaecology, Ophthalmology, Orthopaedic Surgery, Pain Management, Plastic Surgery, Podiatric Surgery, Urology and Vascular Surgery. There are a number of options being considered in regard to the development of a Day Case Unit:

1. Remodel the existing Hinckley and District Hospital to provide appropriate accommodation for the day case service only, in part of the building following reconfiguration and refurbishment.
  2. Build a standalone Day Case Unit on the existing Hinckley and District Hospital site
  3. Co-locate a Day Case Unit with the CDC on the Hinckley and District Hospital site
- Move the Adults Musculoskeletal Physiotherapy and Children's Therapy facilities from the Portacabin on the Mount Road site into the Hinckley Hub, Rugby Road, Hinckley
  - Undertake some renovation of Hinckley Health Centre including improving paint work
  - Ensure that community services in Hinckley are financially sustainable.

Join the conversation now and tell others.

Kind regards

The RCC NHS engagement team
