

Living Tributes for Lasting Memories

The Garden of Remembrance has been created as a “place for the living” to allow time for reflection on loved ones who have passed as well as creating moments for visitors to enjoy fond memories of happy times, in a beautiful landscaped environment.

A Rose memorial is a special way to remember a loved one. Roses are a symbol of love and beauty and our specially selected roses are a very special tribute to someone dear.

Planting a memorial tree is a meaningful way to honour the memory of someone or something, commemorate an event, or mark a milestone. Every tree planted will become a living legacy, a gift that will live on in a unique and enduring way.

The Silver Birch is a very attractive tree with a fine silver bark, often known as the "Lady in the Woods". Produces pretty catkins and attractive diamond shaped leaves in the spring.

Pink Perfection Flowering Cherry - A graceful and ornate flowering cherry tree that produces bright pink blossoms. The Cherry blossom is said to represent good fortune and has long been linked to friendship. The bright pink flowers take over the weeping branches in the late spring, followed by shiny green leaves in the summer.

"Acer 'Atropurpureum' is the most popular of the Japanese maples has bronzy purple leaves which turn a strong red in autumn. Small purple-red clusters of flowers are succeeded by red-winged seeds in late summer.

Acer Garnet -the foliage of this tree is feathered and starts red and then changes to orange and bronze over the autumn months.

Walking into the Garden of Remembrance you can discover our ***“Mini Orchard”*** and these too are available for dedication: ***Apple / Pear and Plum trees.***

When it comes to saying goodbye to our loved ones, there's no right or wrong way to do it, but we hope that we can make your difficult time that much easier with a living tribute to help prolong their legacy and keep your memories alive.
