- Close and lock all doors and windows. Even if you're only out of the property for a few minutes.
- Make sure valuables are out of sight.
- Shut curtains and leave lights on.
- Use a timer to automatically turn lights on.
- Set your burglar alarm.
- Make sure gates are locked.
- Lock all sheds and garages.
- Do not leave car keys or handbags near letter boxes or cat-flaps.
- Get CCTV on your property, not only does this capture the burglar at it, also deters them.
