SUCCESS FOR THE BEAT TEAM

Officers from the Beat Team celebrated last week after receiving the runner up for the Problem Management award for Leicester, Leicestershire and Rutland. Throughout the summer of 2022, there was increasing issues on Desford park involving youths and general antisocial behaviour. With the combined help of the Beat Team and the local council, there was a quick increase in crime prevention tactics, apprehension of suspects leading to the issue dissolving before it could further escalate by the end of summer.

This month we celebrate the work of that team and the efforts that they went to make sure everyone had a peaceful and enjoyable summer.

So, thank you to PC Rich Heath, PC Michael Statt, PC Alan Charles, PC Greg Rawisinski, PCSO Niko Sidiropoulos and former PCSO Tom Vaughan.
