What matters to you

#YOU SAID, WE DID

You said: Anti-social behaviour was a priority.

We have been actively patrolling key areas that have experienced high levels of anti-social behaviour over the Christmas period. We are happy to report that there have been very low levels of anti-social behaviour reported across the beat during this time. This will continue to be monitored throughout the new year as we go into 2024.

You said: Road safety continues to be an issue

Residents are reminded to stick to speed limits whilst driving, the Beat Team have seen an increase in people driving over the speed limit recently especially on dark and cold nights where there is very little lighting on the road and the surfaces are icy.

You said: Rural Crime is priority.

Our Rural crime officers last year recovered over £1,000,000 worth of stolen property, visited over 1000 rural properties and executed multiple warrants. We will continue to work closely with our colleagues to support and tackle any local issues.

Watches stolen in Newbold Verdon burglary

Officers are trying to locate a number of watches stolen in a burglary in Newbold Verdon.

The burglary happened sometime between 6.30pm to 7.30pm on Friday 1 December when individuals broke into a house on Kirkby Lane.

A search was made of the property before a number of watches were stolen alongside items of clothing, jewellery and cash.

Detective Constable Matt Swift is investigating the burglary.

He said: "We have released an image of the stolen watches in the hope that it will help anyone recognise them if they are offered them for sale."

"I would like to ask anyone who may have any information about these watches or the burglary itself to please get in touch."
